Mr. Whitney Gilliland, Chairman  
Foreign Claims Settlement Commission  
of the United States  
Washington 25, D. C.

Dear Mr. Gilliland:

I have your letter of April 26, requesting the assistance of this Agency in connection with the Commission's program under Public Law 885, in particular the problem of determining value of properties in Bulgaria, Hungary, Romania, Italy and the Soviet Union. You requested us also to designate a number of my staff to communicate with Mr. Dunn of the Commission in regard to the problem and any assistance we might be able to furnish. While I would doubt that this Agency has any quantity of information pertinent to such property values, we of course will be glad to cooperate with you and to assist in any way as comes develop. Accordingly, I have asked [redacted] Assistant General Counsel, Code 163, Extension [redacted] to contact Mr. Dunn on this matter.
